Things You Should Know About Fork Extensions

- ◆ Overall length of fork extension must not exceed 150% of fork length.
- ◆ Inside width of fork extension must not be more than ½" wider than fork.
- ◆ Forklift capacity is substantially reduced when center of load is moved out beyond standard 2 ft. load center.
- ◆ Do not pick up load with tip of fork extensions.
- ◆ Load must be centered on fork extensions or closer to the backstop.
