

RAMMER STAND

Store your rammers securely and safely with a Star Industries Rammer Stand. Bolt multiple stands together for the perfect storage solution for any space. Store rammers in a straight line along a wall. Bolt them back-to-back to form a square pallet or fit them in an empty corner of your yard.

- Keep rammers upright and secure
- Welded all steel construction for long-term durability
- Free standing: no need to anchor to the ground
